## **Bateaux London welcomes new sister vessel**

Prestige London, a fine dining arm of Sodexo Prestige, is delighted to launch MV Harmony, the latest addition to Bateaux London's dining cruise fleet based in the heart of the capital.

The new vessel has made her journey from Copenhagen to London and will be making her maiden river Thames voyage for a dinner cruise on Friday 8 June 2012.

Unique to the Thames, the Scandinavian-designed boat features flexible layout for dining, private dining spaces and the largest open deck of over 250 square metres. It can accommodate up to 200 guests for a seated dining experience or up to 300 guests for a standing reception.

MV Harmony's bespoke private dining rooms are perfect for parties of 12, 20 and 30 guests and are ideally suited for corporate dining, celebrations and special occasions. A sure way to wow guests as you cruise past London's famous landmarks.

Managing director for Prestige London, James Greetham, said: "Bateaux London brought the thriving dining concept to the Thames exactly twenty years ago, and we are extremely excited to be expanding. We are proud to welcome our first guests on board the Harmony over this summer, when London is showcasing its best for the Diamond Jubilee and the Games. Our team has worked very hard to offer the best in entertainment, food, menu design, not to mention the friendliness of our staff and crew."

The river Thames is one of the oldest trade route rivers in the world and a river cruise has become a most popular choice for visitors to the capital to soak up the sights and sounds of London by boat. It has a wealth of historical significance such as the Houses of Parliament, St Paul's Cathedral, the Tower of London and the more modern contender, the EDF Energy London Eye.
